Dear Mr. & Mrs. Cruickshanks:

On behalf of Mohawk College staff and the Board of Governors, please accept my sincere congratulations on your recent Health and Safety Achievement Award from the Hamilton-Halton Construction Association. This is truly a reflection on your commitment to, and value of, your employees and their well-being.

Safety programs are also a key component of our skilled trades and apprenticeship programs to ensure our students achieve a high level of understanding and respect for the importance of a safe workplace. We also ensure that our staff and students and the community employers who access our facilities are provided with a safe work environment, therefore, I fully understand the commitment and effort that is required to receive such an outstanding award as HHCA's Health and Safety Achievement Award.

Once again, congratulations and thank you for your commitment to the lives and well-being of others.

Yours sincerely,

MaryLynn West-Moynes
President
